Linbin Storage Bins – Space Saving Storage

These bins are designed for durability and long-lasting use. They fit seamlessly onto our louvre panels, offering a secure, practical storage solution for your tools, parts, and supplies.

These versatile bins are commonly used in a variety of industries, including the medical field, where organisation and reliability are crucial for maintaining sterile and efficient environments.

Perfect for busy industrial environments, workshops, and commercial spaces. Keep your items organised and easy to access.

LINBINS™

Features

- ✓ **Built to Last:** Crafted from high-strength polypropylene copolymer, these bins are tough and resistant to damage.
- ✓ **Quick Stock Picking:** A large label slot helps speed up stock picking.
- ✓ **Easy Stacking:** Reinforcing ribs on the bins allow for secure stacking. Stack them high without worrying about distortion.
- ✓ **Stable Mounting:** The full-width lip ensures bins attach securely to our louvre panels, keeping your items safe and organised.
- ✓ **Customisable:** Choose from a wide range of sizes and colours. This allows you to create the ideal storage solution for your needs.
- ✓ **Versatile Design:** Whether you're storing small parts, tools, or hardware, Linbin Storage Bins offer the flexibility to meet various storage needs.
