

Boltless Smart Shelves are a refreshing alternative to conventional Gondola Shelving, offering a more appealing appearance.

SmartShelves are an extremely durable modular system, which storage and display system that can be adapted and changed to meet the many different requirements for retail and storage.

Black Powder Coating (other colour available on request) is our most popular colour for frames and accessories. Our wide range of wire-based accessories are also available with chrome and galvanised finishes, offering a professional and clean display unit for any modern retail environment. Our wide range of accessories include:

- Solid Shelves
- Wire Shelves
- Wire Baskets
- Mesh In-fill Panels
- Utility Bars
- Geese Necks
- A Wide Range of Hooks
- Clothing Rails

*Shelves
Available in
Flat and Down
Sloping*

The SmartShelves modular system is made of side frames which are available in a variety of heights and depths. Two side frames are required for the first shelf / display unit in a row, thereafter, only one side frame is required for an additional unit. Our shelf widths are 914mm and are available in a variety of depths.
