Gondola Shelving

Supermarket Shelving

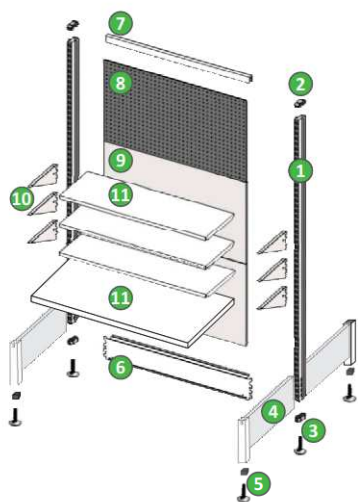

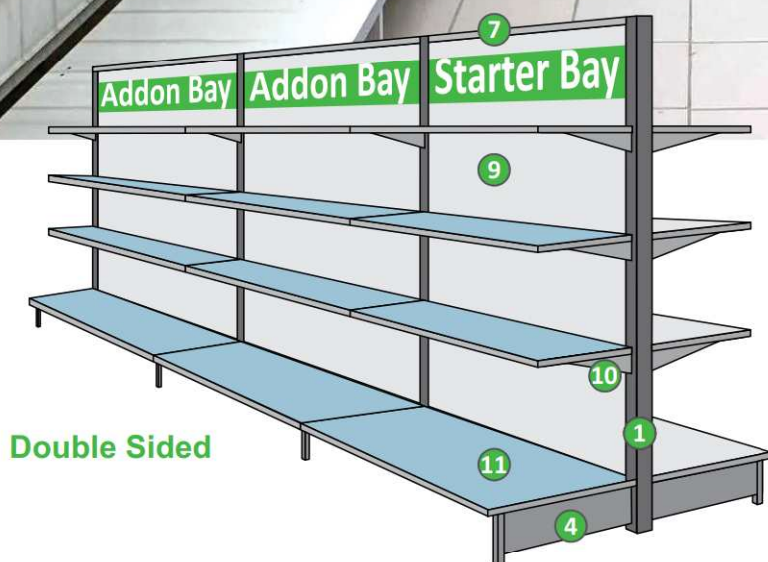

Gondola Shelving or as it is sometimes referred to as Supermarket Shelving, are freestanding shelving units most often used by retailers to display merchandise as they offer a wide range of flexibility for different products and are easy to reconfigure for different layouts.

Our range of Gondola and Wall Band shelving is proudly manufactured in South Africa using high quality materials and durable powder coating, ensuring that your shelving will look good in years to come.

Our standard colours are white and soft cream; however, we also offer various other colours including black, grey, and silver.

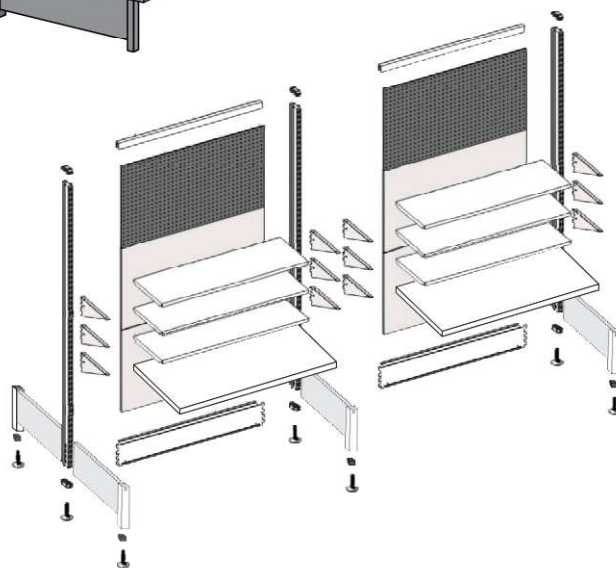

Whether you are running a pharmacy, supermarket, stationer or hardware shop, our wide range Gondola sizes, and accessories; make it easy for your customers to find what they are looking for, in a visually appealing and structured way, ensuring that your customers shopping experience with you, will keep them coming back for more.
